## BIBLIO

PROJECT PROPOSAL

FALL 2023

GROUP MEMBERS:

- AREEJ FATIMA | 232525
- AYESHA MUDASSAR | 232471

### PROJECT DESCRIPTION:

We are going to make a cool website called **BIBLIO** for everyone who loves books. It will have some categories of books like stories, Allama Iqbal books, space related books, Health and fitness related etc. **BIBLIO** is like a super easy place where you can find any book you like. We want it to be fun and easy for all book lovers!

### PROJECT OBJECTIVES:

a. **Content Diversity:** Provide collection of books for readers including children stories, Allama Iqbal books, space related books, Health and fitness related , recipes books.

**b. User-Friendly Interface:** Develop a website that is easy to use and look nice. This helps people find their way around easily and makes the website more enjoyable to use.

**c. Educational Focus:** Make sure to have books that help people learn about different things and for different ages. This will help with education and learning new stuff.

**d. Child-Friendly Features:** Funny and interesting story books on the site that's good for children to enjoy learning new things from the morals of stories.

## FEATURES:

**E-Books :** Offer a selection of e-books for customers who prefer electronic formats.

**Responsive Design:** Responsive web design works well on all kinds of devices like computers, tablets, and phones, so it's easy to use no matter what you're using.

## Content Curation:

**a. Health and Fitness :** Consider including information on the target audience, we also provided health and fitness related books which focuses on health and diet , healthy lifestyle which is the dream of everyone. Also, showcase your expertise in the field and explain how your book will offer practical advice or actionable steps for readers to improve their health and fitness.

**b.Space related Books :** Work together with book companies provide lots of different books that help people learn about different things and are suitable for different ages.

**c. Children's Books:** Gather lots of children's books for their fun and moral stories , like ones with pictures, stories for a bit older kid, and books that help them learn.

**d.Allama Iqbal Books:** As Allama Iqbal is the great poet and philosopher we added Allama Iqbal books. In addition to our rich variety, we also provide a special collection of Allama Iqbal books. These books explore the history, spirituality, and Islamic culture.

**e.Recipes Books** :Elevate your culinary journey with our recipe books, thoughtfully crafted to inspire a healthy lifestyle. Our collection spans diverse cuisines, focusing on nutrient-rich ingredients ,these recipes are not just about eating but embracing a wholesome lifestyle ,and easy-to-follow instructions for a delightful cooking experience.Explore the art of nutritious cooking, where health and taste harmoniously coexist.

## Expected Outcomes:

- a. Successful launch of **BIBLIO**.
- b. Growing user base and engagement metrics.
- c. Establish **BIBLIO** as a reputable and diverse online literary platform.
- d. Still working to provide you more e-books with and and literary.

## Conclusion:

**BIBLIO** aims to make a friendly online place for everyone who likes to read. We have lots of different books, and we want everyone to be part of our reading community. **BIBLIO** is where you can have fun exploring and enjoying all kinds of stories, free to read what you want.
